Product Overview

Portable Performance for Active Lifestyles

This portable personal blender is designed for maximum convenience, allowing you to prepare fresh smoothies, shakes, and juices anywhere from the office to the gym. Featuring a durable 600ml Tritan jar and a powerful 250W motor, it efficiently processes fruits, vegetables, and ice while remaining compact enough for travel. The cordless USB rechargeable design ensures you are never tethered to an outlet, making it an essential tool for healthy living on the move.
