

# Power Steering Rack for VW Jetta III

This power steering rack is designed for VW Jetta III vehicles manufactured between 1993 and 1998. It provides smooth and responsive steering assistance.

## Product Overview

### Precision Steering Performance

This remanufactured power steering rack is specifically engineered for the VW Jetta III (1993-1998) models. Designed to deliver smooth and responsive steering assistance, it features a durable construction with protective rubber boots to shield internal components from contaminants. The unit utilizes specialized hydraulic connections and corrosion-resistant coatings to ensure optimal performance and safety for your vehicle's steering system.
