

Precision Cutter and Tongs Set

This set includes precision cutters and tongs for versatile use. The tools are arranged in a wooden storage box with labeled specifications.

Product Overview

Precision Cutter and Tongs Set

This professional-grade set includes a variety of precision cutters and tongs, designed for detailed woodworking and routing tasks. Each tool is crafted with hardened steel bodies and features ergonomic, color-coded shanks for easy identification. The entire collection is neatly organized in a durable, light-colored wooden storage box, ensuring your tools remain protected and accessible for every project.
