

# Pressurized Steam Iron with Foldable Ironing Board

This 2-in-1 steam iron can be used horizontally or as a vertical garment steamer. It features a 1000ml water tank, a water drain, and reaches a maximum pressure of 4 Bar for quick wrinkle removal.

## Product Overview

### Professional Pressurized Steam Solution

This 2-in-1 pressurized steam iron and vertical garment steamer is engineered for high-efficiency wrinkle removal across diverse fabrics, including clothing, curtains, and upholstered furniture. Featuring a convenient foldable ironing board design, it offers a space-saving solution without compromising on industrial-grade performance. With a 4Bar max pressure output and heavy-duty 130°C dry steam, it ensures professional-grade results 33% faster than standard non-pressurized models.

## Technical Specifications

### Power & Voltage Options

- 100~120V, 60Hz, 1500W
- 220~240V, 50/60Hz, 2200-2400W

Operating Pressure	4 Bar
Steam Temperature	130 °C

## Performance Metrics

### Operational Efficiency

<b>3 min</b> Preheating Time	<b>30 min</b> Working Time	<b>1000 ml</b> Water Tank Capacity
