

Pressurized Steam Iron with Foldable Ironing Board

This 2-in-1 appliance functions as both a horizontal steam iron and a vertical garment steamer. It features a foldable ironing board design and delivers heavy-duty dry steam at a high temperature to quickly remove wrinkles.

Overview

Professional Pressurized Steam Solution

This 2-in-1 pressurized steam iron and vertical garment steamer is engineered for high-efficiency wrinkle removal across a wide range of fabrics. Featuring a unique foldable ironing board design, it offers the convenience of a compact workstation that saves space without sacrificing power. With heavy-duty dry steam reaching 130°C and 4 Bar of pressure, it delivers results a third faster than conventional non-pressurized steamers.
