

Professional Curling Tong with Adjustable Temperature

This professional curling tong is designed for creating diverse curls and waves. It features temperature control and a coated barrel for even heat distribution and minimal damage.

Product Overview

Professional Versatility

This professional-grade curling tong is designed for versatile styling, offering three interchangeable conical barrels to create a wide range of curls and waves. Engineered for efficiency, it heats up rapidly to professional styling temperatures, making it suitable for various hair types. The ergonomic design includes a 360-degree swivel cord for ease of use and a safety stand for secure handling during styling sessions.
