

Professional Hair Curling Iron

This professional hair curling iron features a chrome-plated barrel for even heat distribution. It includes a spring clamp for secure hair holding, an on/off switch with indicator light, and a swivel cord to prevent tangling.

Product Overview

Professional Styling Performance

This professional-grade hair curling iron is engineered for consistent, reliable styling results. Featuring an advanced PTC heating element, it ensures rapid and even heat distribution for creating beautiful, defined curls and waves. Designed with user convenience in mind, it includes a 360-degree swivel cord to prevent tangling and a cool tip for safe, comfortable handling during use.
