

Professional Hair Dryer with Concentrator Nozzle

This professional hair dryer features a powerful motor for fast and efficient drying. It includes multiple heat and speed settings to customize the drying experience and comes with a concentrator nozzle for precise styling.

Product Overview

Professional Styling Performance

This professional-grade hair dryer is engineered for efficiency, featuring a high-performance DC motor with a power range of 1800-2200W. It offers versatile styling control through 3 heat settings and 2 speed levels, complemented by a dedicated cool shot function to lock in styles. Designed for both durability and ease of use, it includes integrated overheating protection and a removable end cap for simplified maintenance.
