

Professional Hair Dryer with Concentrator Nozzle

This professional hair dryer offers multiple heat and speed settings. It features a concentrator nozzle for focused airflow and a cool shot button.

Product Overview

Professional Styling Performance

This professional-grade anion hair dryer is designed to deliver efficient drying and versatile styling for all hair types. Equipped with a powerful 2000W motor, it offers precise control through multiple speed and heating settings, including a cool shot function to lock in styles. The inclusion of both a concentrator and diffuser ensures professional results, making it an ideal choice for salon or home use.
