

Professional Manicure Table with Display and Storage

This manicure table is designed for professional nail salons and beauty spas. It features a built-in display case with glass shelves and ample storage space with a cabinet.

Overview

Professional Manicure Station

This professional manicure table is specifically designed to meet the rigorous demands of high-traffic nail salons and beauty spas. Combining aesthetic appeal with practical functionality, it features an integrated glass display case for showcasing products and ample cabinet storage to keep tools organized. Its durable construction and modern black-and-white design make it an ideal choice for creating a sophisticated and efficient workstation.
