

Pruning Saw and Shears Set

This set includes a pruning saw and pruning shears for garden maintenance. The saw has a curved wooden handle and toothed blade, while the shears are silver with a red accent.

Product Overview

Professional Pruning Set

This versatile pruning set combines essential tools for garden maintenance, featuring a dedicated pruning saw and a pair of precision shears. Designed for durability and ease of use, the saw includes a comfortable wooden handle and a sharp, toothed blade for efficient cutting. The accompanying shears offer a clean, reliable cut with a distinct silver finish and red accents, making this an ideal kit for both landscaping professionals and gardening enthusiasts.
