

# PVA Car Cleaning Sponge

This PVA sponge is designed for car cleaning and maintenance. Its thickened construction ensures durability and strong water absorption, while its soft texture prevents scratches.

## ADDITIONAL IMAGES

## Product Overview

### Professional Grade PVA Cleaning Sponge

This premium PVA car cleaning sponge is engineered for superior absorption and durability. Featuring a unique waist-shaped design, it provides an ergonomic grip that reduces user fatigue during extended cleaning sessions. Its coarse-pore construction ensures rich foam generation and efficient dust collection, making it an essential tool for both vehicle maintenance and household cleaning tasks.

## Physical Attributes

Ergonomic Design

Waist-shaped

## Material & Performance

Material Composition

Coarse-pore PVA

Key Properties

Super Absorbent, Mildew-resistant, Odor-resistant, Non-scratch

## Applications

### Versatile Usage

- Car Cleaning
- Dish Washing
- Wall Cleaning
- Door and Window Cleaning
- Table Maintenance
