

Quadrant Shower Enclosure with Sliding Doors

This quadrant shower enclosure features a curved design and sliding doors. It is constructed with clear glass panels and a silver frame, designed for corner installation in bathrooms.

Product Overview

Modern Quadrant Shower Enclosure

This quadrant shower enclosure features a space-saving curved design specifically engineered for corner installation. It utilizes a smooth sliding door mechanism to provide easy, convenient access while maximizing bathroom floor space. Constructed with high-quality clear glass panels and a sleek silver frame, it offers a clean, modern aesthetic suitable for contemporary bathroom projects.
