Product Overview

Versatile Pet Travel Solution

This 2-in-1 pet car seat cover offers a dual-function design, serving as both a protective car seat cover and a comfortable pet booster seat for dogs and cats. Engineered with high-quality, quilted, and waterproof materials, it effectively shields your vehicle's upholstery from scratches, mud, and pet hair. Its secure installation system, featuring non-slip backing and adjustable straps, ensures a stable and safe environment for your pet during transit.
