

# R134a Hermetic Refrigerator Compressor

Hermetically sealed compressor designed for use in refrigerators and refrigeration equipment. It is compatible with R134a refrigerant and features robust construction for reliable performance in household appliances.

## Overview

### High-Efficiency Hermetic Compressor

This hermetically sealed compressor is engineered specifically for use in refrigerators and various refrigeration equipment. It is fully compatible with R134a refrigerant, ensuring efficient cooling performance for household appliances. With its robust construction, this unit provides reliable and long-lasting operation across a wide variety of refrigerator models.

## Technical Specifications

### Construction

Hermetically Sealed • Robust Design

### Suitable Applications

- Household Refrigerators
- Refrigeration Equipment
- Various Refrigerator Models

### Refrigerant Compatibility

R134a
