Product Overview

Reliable Power for Everyday Needs

These R20S carbon zinc batteries are engineered to provide a stable and cost-effective power solution for low to medium current discharge applications. With a robust design, they offer consistent energy output for essential household devices such as clocks, remote controls, and portable lighting. Designed for longevity and performance, these batteries are a dependable choice for bulk utility requirements.

Technical Specifications

Designation	R20S (IEC60086-2:2007)
Nominal Voltage	1.5 V
Jacket Material	Paper
Shelf Life	18 Months at 20 °C
Certifications	ISO 9001:2015, ISO 14001:2015, CE, MSDS, BSCI

Trade Information

Payment Terms

L/C • T/T

Minimum Order Quantity	1 x 20 ft container
Lead Time	30-45 days after deposit confirmation
HS Code	85061090

Packing Details

R20S Packing Specifications

Jacket Type	Packing Type	G.W/N.W (kg)
Metal Jacket	2 pcs/shrink	25/23.5
Paper Jacket	2 pcs/shrink	22.5/21.5
PVC Jacket	2 pcs/shrink	22.5/21.5
