

R50 Fixed Flush Mount Downlight

This fixed flush mount downlight is designed for use with R50 reflector lamps. Its flush-mounted profile allows for seamless integration into ceilings, and it is suitable for both residential and commercial lighting.

Product Overview

Seamless Ceiling Integration

The R50 Fixed Flush Mount Downlight is engineered for a minimalist aesthetic, featuring a flush-mounted profile that integrates cleanly into any ceiling surface. Designed specifically for R50 reflector lamps, this unit is built for versatile residential and commercial applications. Its direct mains voltage operation simplifies installation by removing the need for external transformers.
