

Rechargeable 360-Degree Camping Lantern

This rechargeable camping lantern provides 360-degree light distribution. It features a 6V 4Ah rechargeable sealed lead-acid battery and two 6W fluorescent tubes.

Product Overview

Professional Camping Lantern

This rechargeable 360-degree lantern is designed for versatile outdoor and emergency lighting. It utilizes a reliable 6V 4Ah sealed lead-acid battery to power dual 6W fluorescent tubes, ensuring consistent brightness. Featuring integrated overcharge and overdischarge protection, this lantern provides a safe and durable lighting solution for camping trips or unexpected power outages.
