Product Overview

Versatile Illumination Solution

This rechargeable LED night light utilizes advanced COB technology to deliver 600 lumens of efficient, uniform illumination. Designed for portability and convenience, it features a durable white plastic housing and a built-in battery system that eliminates the need for constant plug-in power. It is an ideal solution for bedside lighting, emergency scenarios, or ambient illumination in various indoor settings.

Technical Specifications

Brightness

600 LM

Lumen Output

Wattage	9 W
Color Temperature	3000K-6500K
Battery Capacity	1200 mAh
Input Voltage	DC 5.0V

Physical Attributes

Weight

Type	Weight (kg)
Net Weight	9
Gross Weight	10

Unit Dimensions	16.5 x 9.5 x 2.5 cm
