Product Overview

The KP30W features a versatile swivel head and ergonomic handle for easy positioning.

Versatile Industrial Lighting

The KP30W Rechargeable Task Light is a high-performance lighting solution designed for demanding professional environments. Featuring a durable, impact-resistant PC plastic body and a powerful SMD LED light source, it delivers up to 3500lm of brightness. Its portable design includes a swivel head, carry handle, and optional magnetic base, making it ideal for construction sites, workshops, and emergency use.

Performance & Optics

Brightness Output

3500 lm

Maximum Output

1750 lm

Minimum Output

Color Temperature Range

2700K - 6500K

Color Rendering Index (Ra)

80 Ra

Power & Battery

Battery Specifications

Feature	Value
Battery Type	Li-ion
Capacity	7.4V 13.2Ah
Working Time	3-6 hours
Charging Time	5-6 hours

Charging Voltage	AC 100-240V 50-60Hz / DC8.4V
------------------	------------------------------

Construction & Durability

Protection Ratings	IP54 (Dust/Water Resistance), IK08 (Impact Protection)
Operating Temperature	-20°C to 55°C

Features & Mounting

Key Features

- Strong magnetic base (optional)
- Reflective safety stickers
- Swivel head with 100° range
- Built-in charge indication LED
- Tripod mountable

Compliance

Certifications

CE • RoHS
