

Rechargeable Multifunction Lantern with AM/FM Radio and Cassette Player

This rechargeable multifunction lantern features a fluorescent tube for illumination. It also includes an AM/FM radio, cassette player, torch, blinker, and siren for versatile use.

Product Overview

Versatile Multi-Purpose Lantern

This rechargeable multifunction lantern is a comprehensive solution for emergency lighting and portable entertainment. Equipped with a high-visibility fluorescent tube, the device serves as a reliable light source that automatically activates during power failures. Integrated audio features include an AM/FM radio and a built-in cassette player, making it an essential tool for both indoor preparedness and outdoor leisure.
