

Rechargeable Multifunction Lantern with AM/FM Radio and Cassette Player

This rechargeable multifunction lantern features dual fluorescent tubes and a built-in AM/FM radio with a cassette player. It also functions as a torch, blinker, and siren, and includes an electric clock.

Product Overview

Versatile Emergency and Entertainment Unit

This rechargeable multifunction lantern serves as an essential companion for both emergency preparedness and portable entertainment. Combining a powerful 2x6W fluorescent light with a built-in AM/FM radio and cassette player, this unit ensures you stay informed and illuminated during power failures. Designed for reliability, it features an automatic light-up function that activates when power is lost, making it an indispensable tool for household or outdoor safety.
