

Rechargeable Multifunction Lantern with Radio and Cassette Player

This rechargeable multifunction lantern features a fluorescent tube light, AM/FM radio and cassette player. It has AC/DC operation and automatically lights up during power failures.

Product Overview

Versatile Emergency and Entertainment Hub

This rechargeable multifunction lantern provides a reliable light source combined with essential entertainment and safety features. Designed for both indoor and outdoor use, it includes a bright fluorescent lantern, a built-in AM/FM radio, and a cassette player. With dual AC/DC power operation and automatic illumination during power failures, it serves as a critical tool for emergency preparedness.
