

Rechargeable Multifunction LED Lantern with Radio and MP3 Player

This rechargeable multifunction lantern features a bright LED light panel and a built-in FM/AM radio. It also has a USB port and SD card slot for playing music.

Product Overview

Versatile Emergency Lighting and Entertainment

This rechargeable multifunction lantern provides reliable illumination through 28+6 high-brightness LEDs, featuring a rotatable, multi-angle design perfect for use as a table lamp. Beyond its primary lighting function, the unit serves as a portable entertainment center equipped with FM radio and an integrated USB/SD card reader for MP3 playback. Designed for reliability, the device includes advanced overcharge and overdischarge protection to ensure the longevity of the 6V 4Ah sealed lead-acid battery.
