

Rechargeable Portable Fan with LED and Radio

This portable fan provides cooling and illumination with its adjustable fan speeds and integrated LED lamp. It also features an AM/FM radio for entertainment.

Product Overview

Versatile Multi-Functional Portable Fan

This rechargeable portable fan offers a comprehensive solution for cooling, lighting, and audio entertainment in off-grid environments. Equipped with an 8-inch rotatable fan, 24 bright LEDs, and integrated AM/FM radio, it is engineered for reliability in emergency situations or outdoor activities. With built-in overcharge and overdischarge protection, this unit ensures safe operation and extended battery longevity.

Technical Specifications

Battery System

6 V

Voltage

4 Ah

Capacity

Cooling System

8-inch diameter, Rotatable head, High/Low speed settings

Integrated Lighting

24 bright LED lamp with rotatable multi-angle table lamp functionality

Audio Features

AM Band, FM Band

Safety & Operation

Protection Mechanisms

- Overcharge protection
- Overdischarge protection
- Emergency automatic light-up
