Product Overview

Versatile Rechargeable Solar Lantern

This rechargeable camping lantern provides reliable outdoor illumination, featuring an integrated solar panel for sustainable charging. Designed with a durable exterior and a convenient carrying handle, it serves as an essential tool for camping, hiking, and emergency preparedness. The unit includes efficient LED lighting technology and functional USB output capability for emergency device charging.

Technical Specifications

Lighting Components

16 pcs
LED Count

0.2 W
Power per LED

Electrical Limits

Parameter	Voltage Range
Overcharge Voltage	5.0V ±0.2V
Over-discharge Voltage	3.0V ±0.2V

Input Performance

2 W
AC Input Power

180 mA
Input Current

Logistics and Packaging

Container Loading Quantities

- 20GP: 5385 PCS
- 40GP: 12045 PCS
- 40HQ: 14100 PCS

Package Components

Bubble bag, Instruction manual, Gift box, Master carton
