

# Rechargeable Vibrating Massage Ball

This portable, rechargeable massage ball is designed for targeted muscle relief and relaxation. It features a textured surface for enhanced grip and stimulation, along with multiple vibration intensity levels.

## ADDITIONAL IMAGES

## Product Overview

### Professional Muscle Recovery Tool

This rechargeable vibrating massage ball is designed to provide targeted muscle relief and relaxation through high-frequency vibration. With a textured surface for enhanced grip, it is an ideal solution for post-workout recovery, stress reduction, and improving circulation. The compact, spherical design ensures easy handling and precise application to various muscle groups.

## Performance

Vibration Modes	4 levels
Usage Time per Charge	1.5 hours

## Technical Details

Power Source	Rechargeable Lithium-ion battery
Control Interface	Single button operation
Battery Status Indicators	Yes

## Design

Available Colors	Black, Pink, Green
Surface Texture	Geometric pattern of raised triangles and diamonds
