

Rechargeable Wall-Mountable Lantern with Fluorescent Tube

This rechargeable lantern features a spotlight and fluorescent tube lights. It can be wall-mounted or used as a standing lantern for flexible use.

Product Overview

Versatile Emergency Lighting

This rechargeable lantern is designed for both stationary and portable illumination, featuring dual 8W fluorescent tubes for wide-area lighting. It is equipped with an automatic light-up feature during power failures, making it an essential tool for safety and emergency preparedness. With flexible mounting options, it can be easily wall-mounted or used as a free-standing lantern in various environments.
