

Rechargeable Wall-Mounted Emergency Lantern

This rechargeable lantern can be wall-mounted or used as a portable torch. It automatically lights up during power failures and utilizes fluorescent tubes for illumination.

Product Overview

Versatile Emergency Lighting

This rechargeable wall-mounted lantern provides reliable illumination during power failures and everyday use. Featuring dual 8W fluorescent tubes, it offers bright light and portable functionality for various environments. Designed with flexibility in mind, the unit acts as a stationary emergency light when wall-mounted and easily converts into a portable torch for camping or emergency tasks.

Technical Specifications

Light Source	2x8W Fluorescent Tube
