Product Overview

High-Intensity Rectangular LED Work Light

This rectangular LED work light is engineered for demanding environments, featuring a multi-LED array that delivers high-intensity illumination. Its durable, weather-resistant housing is designed for reliable performance in automotive, industrial, and outdoor applications. With integrated heat sink fins for efficient thermal management, this lamp ensures consistent brightness and longevity during extended use.

Technical Specifications

Intended Applications

- Automotive lighting
- Industrial work sites
- Outdoor illumination
- Off-road auxiliary lighting

Design Features

Weather-resistant, High-intensity LED, Integrated heat sink, Rectangular form factor

Power Connection

Standard AC power plug

Thermal Management

Yes
