

Red and Black Electric Step-Through Scooter

This electric scooter has a red and black finish and a step-through frame. It is equipped with a front fairing, integrated lights, a single seat, and a rear carrier.

Product Overview

Urban Commuter Electric Scooter

This electric step-through scooter is engineered for efficient city commuting. Featuring a distinctive red and black aesthetic, it combines a practical step-through frame design with essential urban features like integrated lighting and a rear carrier. Built for reliability and ease of use, it offers a streamlined solution for daily transportation needs.
