

Red Conical Pendant Light Fixture

This pendant light features a vibrant red, conical shade. It is suspended by a white cord and provides both illumination and aesthetic appeal.

Product Overview

Design and Functionality

This vibrant red pendant light fixture features a stylish conical shade that combines aesthetic appeal with practical interior lighting. Crafted with a durable mix of crystal, glass, and iron, the fixture is built for longevity and visual impact. It is designed to provide effective illumination for large spaces, making it a versatile choice for various interior settings.
