

Red Metal Tool Chest with Drawers

This heavy-duty tool chest is made of durable steel with a vibrant red powder coating. It features a spacious top compartment with a hinged lid and two smooth-sliding drawers for organized tool storage.

Product Overview

Professional Tool Storage Solution

This heavy-duty metal tool chest is engineered for superior organization and protection in demanding work environments. Featuring a robust steel construction with a premium red powder-coated finish, it provides excellent resistance against rust, scratches, and daily wear. Its intuitive design includes a spacious top compartment and smooth-sliding drawers, making it an ideal choice for maintaining an efficient workspace in garages, workshops, or on-site professional projects.
