

Red Metal Tool Chest with Multiple Drawers

This red metal tool chest is equipped with multiple drawers and silver handles. It is designed for the convenient storage and organization of tools and equipment.

Product Overview

Professional Tool Chest Fridge

This innovative combination unit serves as a functional tool chest with integrated refrigeration capabilities. Engineered for both professional workshops and specialized storage needs, it offers a 50L capacity with a manual adjustable temperature range of 0-10°C. Its robust metal construction and heavy-duty 3-inch wheels ensure long-lasting durability and mobility in busy industrial environments.
