

Red Mini Off-Road Dirt Bike

This red mini dirt bike is designed for off-road use. It features a small engine, knobby tires, and a lightweight frame.

Overview

Compact Off-Road Performance

The WV-DB-006 is a high-performance mini dirt bike designed for off-road recreation. Equipped with a reliable 49cc 2-stroke air-cooled engine, it delivers agile handling and enough power for youth riders. Its lightweight frame and durable construction make it an excellent choice for learning and entry-level off-road enthusiasts.
