

Red Mini Pocket Bike for Racing

This mini pocket bike is designed for racing and recreational use. It features a robust engine and aerodynamic fairing.

Overview

High-Performance Racing Pocket Bike

Designed for racing and recreational use, this compact pocket bike features a robust 49cc air-cooled, two-stroke engine that delivers quick acceleration. The lightweight frame and aerodynamic fairing provide optimal agility, while front and rear disc brakes ensure reliable stopping power. Its compact dimensions make it an excellent choice for easy transport and storage for enthusiasts.
