

Red Mobile Tool Cabinet with Drawers

This mobile tool cabinet is equipped with five drawers and silver handles for organized tool storage. Its mobile design allows for easy movement within a workspace.

Product Overview

Professional Mobile Tool Cabinet Fridge

This innovative tool cabinet integrates functional workshop storage with a high-performance 50L cooling system. Designed for durability and mobility, it features robust construction and heavy-duty 3-inch wheels for easy transport within busy industrial environments. The unit offers precise temperature control, making it an ideal choice for professionals who need to keep items organized and climate-controlled.
