

Red Step-Through Motorcycle with Chrome Accents

This motorcycle has a classic step-through frame design and a vibrant red finish complemented by chrome accents. It includes a comfortable dual seat with a rear luggage rack and a front fairing.

Overview

Classic Design and Versatility

The SR48Q-3 is a classic-styled motorcycle designed with a vibrant red finish and striking chrome accents. Its step-through frame ensures ease of use, while the comfortable dual seat and integrated rear luggage rack provide practical utility for daily transit. Built with durable chrome fenders and classic spoke wheels, this motorcycle combines traditional aesthetics with reliable everyday performance.
