

Red Touring Motorcycle with Chrome Accents

This red and chrome touring motorcycle is designed for long-distance travel. It features a tall windscreen and padded backrest for rider comfort.

Overview

Classic Touring Experience

This red and chrome touring motorcycle combines classic cruiser aesthetics with features designed for comfort during long-distance travel. Equipped with a tall windscreen and a supportive padded backrest, it offers an enhanced riding experience for extended journeys. Its well-maintained design features iconic elements like a teardrop fuel tank and spoked wheels, making it a reliable choice for professional buyers seeking style and utility.
