

Red Wall-Mounted Electric Fan with Three Blades

This wall-mounted electric fan features a circular design with a red central hub and matching red frame. The fan has three white blades and is designed for indoor air circulation and cooling.

Product Overview

High-Performance Wall-Mounted Cooling

This sleek and elegantly designed wall-mounted electric fan is engineered to provide efficient air circulation in any indoor environment. Featuring a high-quality motor that ensures rapid cooling and strong airflow, it combines durability with a contemporary red aesthetic. Users benefit from convenient pull-switch controls and three adjustable speed settings to customize their cooling experience throughout the day.
