

Reddish-Brown Wooden Double Doors with Decorative Patterns

These are wooden double doors with a reddish-brown finish and decorative circular and rectangular patterns. Each door features a golden handle and a matching lock mechanism.

Product Overview

Exquisite Craftsmanship

These double doors feature a sophisticated reddish-brown finish that adds warmth and character to any entrance. Adorned with intricate circular and rectangular decorative patterns, they perfectly balance traditional artistry with modern design sensibilities. Equipped with premium golden hardware, these doors serve as a functional and elegant focal point for professional interior or exterior architectural projects.
