

# Reflective Warning Triangle for Roadside Safety

This reflective warning triangle is designed for roadside safety. It features a bright orange reflective surface, a red border, and a foldable metal stand for stability.

## Product Overview

### Roadside Safety Essentials

This reflective warning triangle is designed for maximum visibility and safety during roadside emergencies. Featuring a high-contrast reflective surface and a durable foldable stand with rubberized feet, it ensures stability in various weather conditions. Its collapsible design makes it an ideal compact solution for vehicle breakdown kits.
