

# Retail Anti-Theft Razor Blade Security Case

This retail security case protects razor blades and small valuables from theft. It features clear plastic construction for product visibility and compatibility with RF/AM EAS systems.

## ADDITIONAL IMAGES

## Product Overview

### High-Security Retail Protection

This anti-theft razor safer box is designed to protect high-value, small-format retail items like razor blades from shoplifting while maintaining full product visibility. It features a robust slide-open magnetic locking mechanism and is fully compatible with both RF and AM electronic article surveillance systems. The clear PC+ABS construction allows customers to view the product clearly while ensuring it remains secure until purchase.
