

Retractable Metal Measuring Tape 5m/25mm

This measuring tape extends up to 5 meters and has a width of 25mm. It features a retractable metal tape measure with clear markings and a belt clip for easy carrying.

Product Overview

Professional Grade Measuring Tool

This 5-meter retractable metal measuring tape is designed for precision and durability in demanding environments. Featuring a high-visibility yellow and black impact-resistant casing, it provides both metric and imperial scales for versatile use. The integrated belt clip and compact design make it an essential tool for construction professionals, DIY enthusiasts, and general measuring tasks.
