

Retro Style 250cc Motorcycle

This motorcycle is available in 50cc to 250cc configurations. It has EEC approval.

ADDITIONAL IMAGES

Overview

The motorcycle features a classic scrambler or cafe racer style with a blacked-out engine and frame.

Classic Retro Design

This retro-style motorcycle combines vintage aesthetics with modern engineering, perfect for urban riding and short trips. Featuring a classic cafe racer silhouette, it includes a distinctive round headlight, a brown leather seat, and chrome exhaust accents. With engine options ranging from 50cc to 250cc and full EEC approval, this model offers a versatile and stylish solution for professional buyers.
