

Retro Style Gas Scooter

This is a gas-powered scooter with a retro design. The scooter features a rounded body, chrome accents, and a yellow finish.

Overview

Classic Design Meets Reliable Performance

This retro-style gas scooter combines timeless aesthetics with practical urban mobility. Featuring a distinct rounded body, chrome accents, and a comfortable black seat, it offers a stylish solution for daily commuting. Built with durability in mind, this scooter includes essential safety features like turn signals, rearview mirrors, and reliable tires, making it an excellent choice for professional buyers seeking a blend of vintage charm and functional transport.
