

Retro-Style Step-Through Motorcycle

This retro-styled motorcycle features a step-through frame and a single-cylinder engine. Designed for urban commuting and recreational riding, it blends style and practicality.

Overview

Timeless Design Meets Modern Performance

This retro-style step-through motorcycle combines classic aesthetics with modern engineering, making it an ideal choice for urban commuting and recreational riding. Featuring a 4-speed, semi-automatic transmission and an upgraded engine, it delivers a smooth and responsive experience. The inclusion of telescopic front forks and 17-inch tires ensures stability and comfort, while the split two-passenger saddle seat provides versatility for carrying a passenger.
