Overview

Retro-Inspired Urban Performance

This street motorcycle seamlessly blends classic retro aesthetics with modern engineering, making it an ideal choice for both daily urban commuting and weekend leisure rides. Powered by a reliable 223cc oil-cooled engine, it delivers a balanced 17.7 hp output and features a responsive 6-speed transmission. Designed with rider comfort and safety in mind, it includes disc brakes on both wheels, LED lighting for enhanced visibility, and an ergonomic anti-slip seat.
