

Retro Style Television with Feather Display

This is a retro television set with a built-in screen. The screen displays colorful feathers and has a dark frame with a silver-colored base.

Product Overview

A Blend of Retro Aesthetics and Modern Display

This retro-styled television combines a classic, nostalgic design with modern display capabilities. Featuring a distinct dark frame and a high-quality screen display, it serves as an excellent visual piece for any professional setting. Its compact build and silver-colored base provide stability while maintaining an authentic mid-century look.
