

Round LED Panel Light for Ceiling or Surface Mounting

This round LED panel light is designed for ceiling or surface mounting. It features a white finish, integrated LED light source, and ventilation slots for heat dissipation, making it suitable for indoor lighting.

Product Overview

Versatile LED Lighting Solution

This round LED panel light is engineered for both ceiling and surface mounting, offering a flexible lighting solution for various indoor environments. Featuring a clean white finish and an integrated LED light source, it combines aesthetic appeal with functional performance. The design includes dedicated ventilation slots to ensure optimal heat dissipation, promoting longevity and consistent brightness for professional spaces.

Physical Characteristics

Mounting Type	Ceiling Mount, Surface Mount
Shape	Round
Finish Color	White

Technical Details

Light Source	Integrated LED
Cooling System	Yes

Application

Recommended Usage
Indoor
